### Investing in our schools

As part of the NSW Government's plan to rebuild public education, the NSW Budget is delivering record education funding, including \$9.2 billion for new and upgraded schools. This targeted investment will ensure growing communities get access to a world class public education.

Part of this investment includes funding to support the new and upgraded facilities at the co-educational Randwick High School.

### Progress summary

The upgrade to Randwick High School is progressing well and on schedule for completion by Day 1 Term 1 2027.

- Façade and cladding works to the new buildings (Block 18 and 19) are in progress.
- Fit out works are continuing in Blocks 18, 19 and refurbishment of Block 2.
- Construction of new the pathways has started.
- New lift connecting Block 2 to the new buildings is being installed.
- Campus air conditioning and ceiling fan installation has been completed.

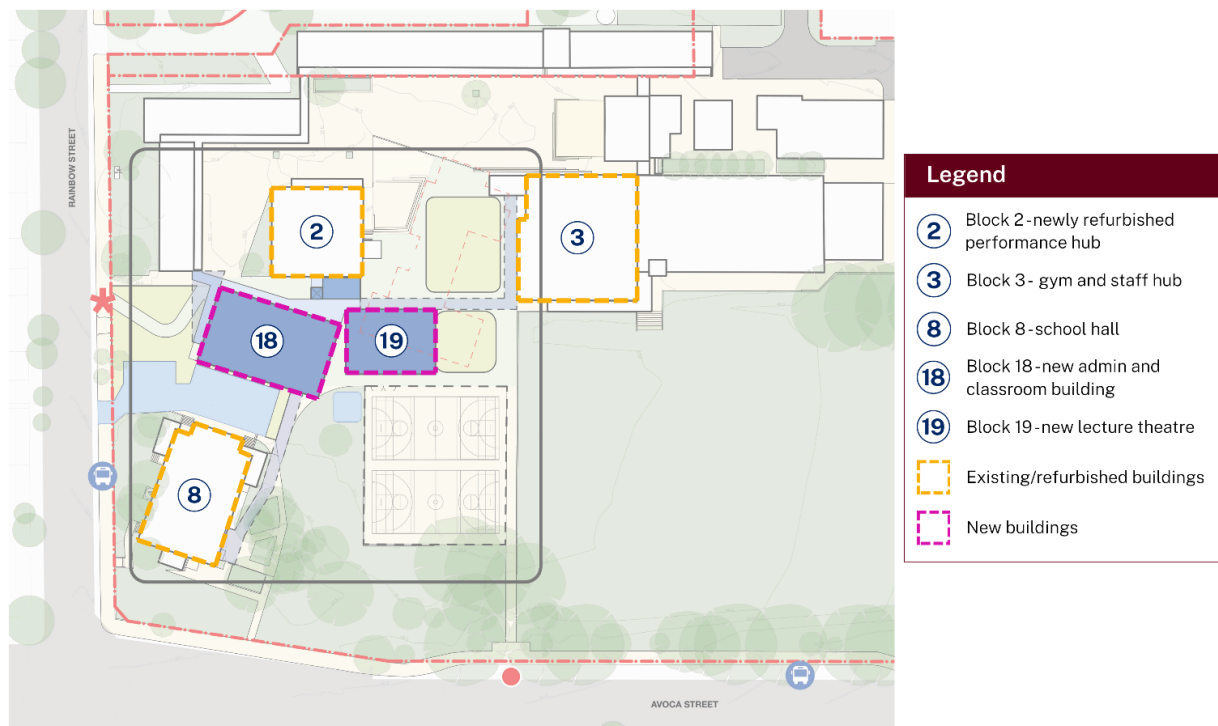

### Next steps

Internal upgrade works including the marine science lab, art classrooms and accessible bathroom refurbishments are scheduled to be completed October 2026. Other upcoming works include:

- upgrade to staff hub
- new covered walkway concrete pour
- landscaping works
- construction of additional staff car park spaces
- building commissioning activities
- internal finishes and loose furniture installation
- site wide facade upgrades.
